

**SPECIAL EDUCATIONAL  
NEEDS & DISABILITY**  
INFORMATION, ADVICE AND SUPPORT SERVICE

**Do you care for a child or young person with special educational needs and disabilities (0-25 yrs)?**  
**Do you need some advice and information about their education?**

The SEND Information, Advice & Support Service is a free, impartial and confidential service that supports parents, carers and young people with additional needs to participate in making decisions relating to their educational provision. We can help you through the Special Educational Needs procedures by helping you understand letters and documents, and we will advise you of your rights to get the most appropriate outcomes. We promote that everyone should work together to do what's best for the child or young person at the centre.

**For further information please contact 01642 759073 or 0800 073 8800  
or Email [SENDIASS@redcar-cleveland.gov.uk](mailto:SENDIASS@redcar-cleveland.gov.uk)**
