Welcome to Sophellies, our family focussed eatery, appreciating affordable food in a comfy atmosphere.

As a Redcar family, we and our young daughters support Kidney Research UK, a charity very personal to us, as I donated a kidney to my husband Phil (the cook!!)

Therefore, we are incorporating a special dish of chilli with kidney beans with a 15% donation to the charity.

Wherever possible, our ingredients come from local producers, our eggs are free range and all our dishes are cooked from scratch here at Sophellies
