<b>Eligibility</b>	For Redcar and Cleveland Children and Young People aged 5 – 17 years (The Join Us Youth Service are able to support young people up to 19 years) who have a learning difficulty or disability or for those with additional support needs who cannot attend mainstream provision. These clubs are self-referral, families do not need a social worker referral or diagnosis to attend.
<b>Staffing Ratios</b>	<p>The majority of our clubs offer 1:3 or 1:4 staffing ratios. If a child or young person has higher staffing requirements, there are a number of options available:</p> <ul style="list-style-type: none"> <li>• Join Us 1:1 and some of the MAIN sessions offer higher staffing ratios, the calendar confirms what staffing ratios are available.</li> <li>• If your child has a Personal Assistant, they may be able to access the 1:3/1:4 staffed groups. To ensure the safety of the child and others in the group, an assessment by the club will still need to be undertaken to ensure suitability.</li> <li>• If you have a Social Worker there are a number of groups available for children and young people with higher support needs which require a social worker referral. If you would like more information on these Clubs please discuss with your Social Worker. #</li> </ul>
<b>Transport</b>	<p>For the majority of clubs, parents/carers are required to take children to and from the sessions.</p> <p>If a child or young person would be unable to attend a club due to lack of transport, the Local Authority may be able to provide support with this. Each case will be assessed on an individual basis. Families should discuss with the club in the first instance.</p>
<b>Sibling Offer</b>	A number of our clubs will provide regular or dedicated sessions where siblings, who do not have a disability and are of a similar age can also attend the clubs. Please contact individual clubs about their sibling offer.
