The memorial masons on this list have agreed to abide by the Redcar and Cleveland Borough Council Cemetery Rules and Regulations for the following cemeteries: Boosbeck, Brotton, Eston, Guisborough, Loftus, Redcar, Saltburn and Skelton. They have agreed to adhere to the Code of Practice issued by the National Association of Memorial Masons (NAMM) and have complied with all our registration scheme requirements. Funeral Directors and any other person acting as an agent should ensure that their contracted mason is included before processing any memorial application.

This list shows those masons and the agents through their masons who are registered to carry out work within our cemeteries. Redcar and Cleveland Borough Council does not recommend individual masons or agents or accept any responsibility for their workmanship.

Grave owners are reminded that they own the memorial and are responsible for ensuring it remains in good repair.

The Council is currently undertaking memorial safety checks and any memorial found to be unsafe or dangerous would result in the owner being contacted, where possible, and remedial action being taken.
