Public bodies are also required to provide two percentages in order to give context to the other figures. These percentages do not reflect the progress a public body has made towards the target:

**Figure E** Figure B expressed as a percentage of figure A.

30.91%

**Figure F** Figure D expressed as a percentage of figure C.

3.07%

If the public body is in their first reporting period they must also provide:

**Figure G** The number of apprentices who worked for the body immediately before that period.

In addition, the Apprenticeship Activity Return (Return Section 2) requires public bodies to send the following figures, which will help identify their progress towards meeting the target, to the Department for Education. Public bodies could also consider providing these figures in the Data Publication:

**Figure H** Headcount on the day before the first day of each reporting period in the target period; and
