

## Immigration Checks - Guidance to applicants

This guidance applies to premises licences for alcohol and late night refreshment, (but not entertainment only licences) and personal licences. Other types of authorisation under the 2003 Act (club premises certificate and temporary event notices (TEN)) are not covered. This is because there is little evidence of immigration abuse in respect of premises authorised under club premises certificates, and it would have been disproportionate to apply the requirements to TENs.

For applications made on or after 6 April 2017, a licensing authority must not issue a premises or personal licence to someone who ordinarily lives in the UK and who is not entitled to work in a licensable activity. An application made by an individual without the entitlement to work in the UK is invalid and must be rejected.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this by providing with their application, **copies or scanned copies** of the following documents (which do not need to be certified):-
