LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

All relevant parties are expected to work together to ensure that the licensing objectives of Redcar and Cleveland Borough Council are promoted collectively. This schedule has been compiled in conjunction with current guidance from Cleveland Police (Guidance on Preparing an Operating Schedule as required by the Licensing Act 2003 – Cleveland Police, Langbaugh Licensing Unit, January 2005) and Cleveland Fire Brigade (Fire Safety Regulations – News, Licensing Act 2003) along with a number of wider sourced documents.

KA Convenience Limited is aware that steps taken should be both realistic and within the applicants control and management of the premises and that if a licence is granted with conditions attached requiring the implementation of such steps, the conditions will be enforceable in law and it will be a criminal offence to fail to comply with them.

b) The prevention of crime and disorder

OBJECTIVE ONE: PREVENTION OF CRIME AND DISORDER

The promotion of this licensing objective, to prevent crime and disorder, places a responsibility on KA Convenience Limited and Kaine Lidster (DPS) to become key partners in the reduction and management of crime and disorder in line with the Licensing Act 2003.

RESPONSIBLE MANAGEMENT OF PREMISES FOR THE BENEFIT OF STAFF AND CUSTOMERS

KA Convenience Limited monitors the amount of people on the premises at any given time as a result of staff observation from behind the counter within the establishment. Staff can clearly view the entrance to the premises and the public access areas and are able to identify possible risks of overcrowding.

Staff are trained surrounding security issues and regular reviews are completed. A comprehensive incident log is also kept. As well as reporting to relevant partner agencies, KA Convenience displays signage which aims to deter criminality and disorder within and surrounding the premises.

Staff procedures have been implemented in view of KA Conveniences application under the Licensing Act 2003 in order to support the identification and management of customers under the influence of alcohol or illicit substances. These procedures include outlining responsible alcohol retailing and the legal obligations to refuse service of alcohol to customers who appear intoxicated. Staff are trained in strategic management of potential conflict situations and aim to provide friendly and efficient service in order to build rapport with the community customer base in line with the business usage as a local convenience store.

IMPLEMENTING APPROPRIATE POLICIES FOR THE MANAGEMENT OF CUSTOMER BEHAVIOUR

KA Convenience Limited operates a zero-tolerance policy to drug use within the premises. Staff are aware of their responsibility to report the discovery of controlled substances to the relevant authority. Any concerns surrounding the use or distribution of illicit substances would be followed by the seeking of advice from Cleveland Police.

DRINK AND OTHER PROMOTIONS

KA Convenience Limited are aware of their responsibilities surrounding alcoholic drink promotion in line with the Portman Group Code of Practice on the Naming, Packaging and Promotion of Alcoholic Drinks (Sixth Edition.) documentation. Alcoholic beverage promotion is unlikely considering the nature of routine business conducted at the premises however, may from time to time be used as a responsible marketing tool in line with the companies duty and legal responsibility.

RESPONSIBLE MANAGEMENT OF THE LOCAL ENVIRONMENT AROUND THE PREMISES

KA Convenience apply procedures to manage violence and anti-social behaviour outside of the premises with the use of CCTV and staff conflict training. If issues arise, staff are confident in referring to appropriate partners such as Cleveland Police and Redcar and Cleveland Borough Council.

Dynamic risk assessment of the premises is inclusive of the immediate area surrounding the shop and consists of responsibility for promptly removing, repairing or reporting hazardous objects, materials etc. The business ensures that the shop front is clear of graffiti and anti-social deposits due to commercial reasons.

Continued from previous page...

DESIGN OF PREMISES

KA Convenience recognise the way in which the interior of the premises is designed and laid out allows better monitoring and supervision which reduces the opportunity for crime.

The premises comprises of two entry/exit points. One being used as an entry and main exit for the customer base with two additional staff and emergency exit points. Both emergency exit points are situated on the opposite wall to the customer entry point and are in two separate locations along this boundary. The point of entry/exit for customers is reduced to one unless an emergency situation arises.

The customer entrance/exit is monitored visually by staff as it is located close to the counter, as well as being covered by high quality, colour CCTV. The alarm system at the premises is linked to the local Police and the DPS would be contacted immediately should the alarm be raised.

Additionally, staff are provided with a radio system which links to a partner business in the local vicinity. This promotes swift support responses should this be required. The flooring behind the sales counter in the premises is also raised in order to provide better supervision of the shop floor and give the impression of added authority. The handling of cash is kept to a minimum due to the Post Office facility being within the premises which allows for easy and frequent cash deposits by the business.

CLOSED CIRCUIT TELEVISION

As stated, the premises benefits from high quality, colour CCTV which monitors all areas accessible to the public. The recording equipment is stored in a secure area with access restricted to authorised members of staff.

c) Public safety

OBJECTIVE TWO: PUBLIC SAFETY

KA Convenience Limited are committed to ensuring that the safety of any person visiting or working in the premises is not compromised.

Access and egress for disabled persons is available through the main entrance of the premises. A disabled ramp is in place as a permanent feature of the immediate vicinity of the property. The site has appropriate access for emergency vehicles via the rear and a fire risk assessment has been undertaken. This is monitored and reviewed on a regular basis. Exit routes lead on to a car park and a public square of shops. There are appropriate communication systems in place including the use of safety signs and notices as well as an open plan counter system and the use of a radio system.

All equipment has been professionally installed with fire alarms being tested fortnightly and security alarms tested annually.

Staff are appropriately trained in public safety issues such as evacuation procedures, conflict management, the intoxication of customers, proof of age etc. which is documented in the operating handbook signed by the DPS and each member of staff.

The premises is separated by fire resisting construction from the adjoining building and all of the finishes and fixtures comply with the relevant standards. There is a fire extinguisher available at within the premises and smoke alarms are fitted. The electrical systems are less than ten years old and will be assessed as required under the lease of the premises. A fire risk assessment has been completed and signage for emergency routes and exits is in place.

d) The prevention of public nuisance

OBJECTIVE THREE: PREVENTION OF PUBLIC NUISANCE

KA Convenience Limited is committed to ensuring that the operation of a licensed premises does not unacceptably interfere with the personal comfort of amenity of immediate neighbours or the nearby community.

The premises is located in close proximity to residential accommodation in that the unit is below two floors of apartments. Given that the licence application is for the sale of alcohol to be consumed off the premises, limited to between 0900-1700 hours; nuisance from noise does not seem likely. As previously mentioned, staff are adequately trained in conflict resolution

Continued from previous page...

and are aware of partner agencies should contact need to be made.

Deliveries to the premises are made during office hours which reduces the opportunity for noise disturbance to residents. Waste is stored to the rear using authority provided waste bins. Collections are under an agreed cycle with Redcar and Cleveland Borough Council fortnightly. Litter and fly tipping incidents are managed on a daily basis by staff. There have been incidents of fly tipping to the rear of the property which we have removed promptly. There are a number of waste bins provided within the immediate vicinity of the shop front and generally, incidents of littering are minimal. When they do occur, staff remove items promptly. The premises does not have any outdoor lighting which could cause a nuisance to residents.

e) The protection of children from harm

OBJECTIVE FOUR: PROTECTION OF CHILDREN FROM HARM

KA Convenience Limited recognises that activities associated with premises that sell alcohol may, in certain circumstances, give rise to concerns for the health and welfare of children.

Staff complete regular training in order to manage the risks associated with the possibility of underage use of intoxicants. Staff are competent in the age verification process and are advised of the 'Challenge 25' policy in relation to the current sale of tobacco and other age restricted items. Staff have received training surrounding the acceptance of accredited proof of age cards.

No additional regulated activities occur on the premises. Staff are aware of their responsibility to raise concerns with the DPS of any incidents involving children and young people should they require advice and support in order to determine course of action. Referrals to partner agencies will be made promptly where required.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
