Cleveland Police and Crime Panel

A meeting of Cleveland Police and Crime Panel was held on Tuesday 5 July 2022.

Present: Cllr Tony Riordan (Chair), Cllr Barrie Cooper (Vice Chair), Cllr Graham Cutler, Cllr Stefan Houghton, Cllr Karen King, Cllr Tom Mawston, Paul McGrath, Cllr Steve Nelson, Luigi Salvati, Cllr Norma Stephenson OBE

Officers: Steve Newton, Alison Pearson (Redcar and Cleveland Borough Council).

Also in attendance: Steve Turner (Police and Crime Commissioner) Lisa Oldroyd, and Rachelle Kipling (Commissioner's Office)

Apologies: Cllr Carrie Cook, Cllr Chris Jones, Cllr Shane Moore, Cllr Kevin Tiplady, Mayor Andy Preston

PCP 01/22 Appointment of Chair for 2022/23

It was moved by Councillor Graham Cutler and seconded by Councillor Stefan Houghton that Councillor Tony Riordan be appointed Chair of the Panel for the municipal year 2022/23.

A vote took place and it was **RESOLVED** that Councillor Tony Riordan be appointed Chair of the Panel for the municipal year 2022/23.

PCP 02/22 Appointment of Vice Chair for 2022/23

It was moved by Councillor Graham Cutler and seconded by Luigi Salvati that Councillor Barrie Cooper be appointed Vice Chair of the Panel for the municipal year 2022/23.

A vote took place and it was **RESOLVED** that Councillor Barrie Cooper be appointed Vice Chair of the Panel for the municipal year 2022/23.

PCP 03/22 Declarations of Interest

There were no interests declared.

PCP 04/22 Minutes of the meetings held on 31 March 2022 and Attendance Matrix

Consideration was given to the minutes of the meeting held on 31 March 2022 and the attendance matrix for 2021/22.

Regarding the attendance matrix, Councillor Stefan Houghton advised that the overall number of meetings he attended was mistakenly recorded as 4 when it should have read 5.

RESOLVED that the minutes of the meeting held on 31 March 2022 be agreed as a correct record and the attendance matrix be amended to record Cllr Stefan Houghton as being present at 5 meetings of the panel.

**PCP
05/22** **Cleveland Divert**

Representatives from the Cleveland Custody Diversion Scheme (Divert) attended the Panel to provide information on the programme.

Currently, Cleveland had one of the highest reoffending rates in England and Wales standing at 34%. The Divert Programme was delivered in partnership with Cleveland Police and the Probation Service North East and offered an alternative way to engage with first time and low-level offenders, instead of sending them to court and prosecuting them. The aim of the approach was to break the cycle of reoffending.

The presentation outlined the various pathways available to support the offender to address issues in their lives that led to the criminal behaviour. It was noted that gambling addiction had recently been included within the remit of the programme.

Data was provided on the number of accepted referrals, the number of restorative interventions and the increase in referral rates on the previous 12 months. The Panel requested further detail in relation to referrals by local authority area.

The Panel welcomed the presentation and thanked the Divert team for their work.

RESOLVED that the information be noted.

**PCP
06/22** **Quarter 4 2021/22 Police and Crime Plan Performance Report**

The Commissioner presented his Police and Crime Plan Performance and Delivery Report which covered the period up to the end of quarter 4 (March 2022).

In relation to the strategic outcome to 'build confidence and put the pride back into Cleveland Police' a Panel Member asked for comparative data in relation to complaints and public confidence levels to provide more context and an indicator of trend.

The Commissioner advised that comparator figures would be included in the next performance report and extended an invitation for any panel member to attend the next face to face public consultation session in Stockton.

A panel member also asked when the expected increase in the number of special constables was likely to be achieved. Data appeared to indicate a slight reduction in current headcount.

The Commissioner advised that he had raised this issue through his own scrutiny arrangements to understand why the figures were not yet showing an increase. He confirmed his commitment to increase the number of special constables by the end of his term of office.

In relation to the strategic outcome to 'work collectively with partners to reduce crime, specifically serious violence' clarification was sought on stop and search data and in particular, the rates of stop and search for BAME communities.

The Commissioner advised that further, more detailed data was available on the Cleveland Police website and a link to this information would be provided to the panel members. As had been discussed at the last meeting, it was confirmed that stop and search data was presented to the Strategic Independent Advisory Group (IAG) for scrutiny on a regular basis. The Commissioner's invitation to Panel Member to attend an IAG meeting remained.

In relation to the objective 'use of technology to combat crime', a Panel member asked about the mobile phone app that had been developed for residents to report crime.

The Commissioner advised that it was an additional method of reporting and did not replace other methods of reporting. Where an emergency response was required, residents were still able use 999.

In relation to grants and commissioning, a Panel Member asked if a process had been confirmed to bid for further funding to support the continuation of the Cleveland Unit for the Reduction of Violence (CURV) beyond the current commitment.

The Commissioner advised that at this point it was unclear what the process might be, but work was taking place to establish the unit's sustainability in the long term.

RESOLVED that the Panel note the information and the requested additional data be provided.

**PCP
07/22**

Commissioner's Scrutiny Programme

Consideration was given to a report that provided an update on the Police and Crime Commissioner's scrutiny programme.

Holding the Chief Constable to account was the key duty of the Police & Crime Commissioner and must encompass all the functions of the Chief Constable and functions of those who were under the Chief Constable's direction and control.

The Commissioner had a range of scrutiny approaches in place to engage with the Chief Constable and hold Cleveland Police to account. These take place on a daily, weekly and monthly schedule and include a range of meetings, data and feedback from partners and the public.

Since the last Police and Crime Panel the Commissioner had held three formal scrutiny meetings which were held on 19 April, 9 May and 13 June and focused on the Force Control Room, Enabling Services and quarterly performance monitoring.

RESOLVED that the report be noted.

**PCP
08/22** **Decisions of the Commissioner and Forward Plan**

Consideration was given to a report that provided an update on decisions made by the Police and Crime Commissioner and the Forward Plan.

The Police and Crime Commissioner made all decisions unless specifically delegated within the Scheme of Consent/Delegation. All decisions demonstrated that they were soundly based on relevant information and that the decision-making process was open and transparent.

In addition, a forward plan was included and published on the OPCC's website which included items requiring a decision in the future. This was attached to the report.

Each decision made by the Commissioner was recorded on a decision record form with supporting background information appended. Once approved it was published on the OPCC's website.

Decisions relating to private/confidential matters would be recorded; although, it may be appropriate that full details were not published.

Decisions made since the last meeting of the Police and Crime Panel were attached to the report.

RESOLVED that the report be noted.

**PCP
09/22** **OPCC Communications and Engagement**

The Commissioner presented his report detailing the communication activity of the PCC's office between 1 March 2022 and 31 May 2022.

He advised that he felt there was more that could be done to promote the positive work of the Office.

RESOLVED that the report be noted.

**PCP
10/22** **Police and Crime Panel Annual Report**

The Panel considered the proposed outline content of the Police and Crime Panel Annual Report and agreed that it should include:

- Chair's foreword
- What is the Cleveland Police and Crime Panel?
- Panel membership
- Panel role and responsibilities
- The Panel's core programme of work
- Key activities and achievements (including the work of Task and Finish Groups)
- Contact details and further information sources

The Panel requested that the report be made available in alternative formats and a small number of hard copies be printed to circulate to libraries and other resident contact points.

RESOLVED that a draft report be prepared for the next meeting of the Panel.

PCP 11/22 Police and Crime Panel Scrutiny Work Programme and Training Needs 2022/23

The Panel considered their work programme for 2022/23 and training needs.

It was felt that the annual review of the local policing precept should continue to be undertaken by a Task and Finish Group in order to facilitate sufficient time and analysis of the financial arrangements of the PCC and commissioned services. The Task and Finish Group would make its recommendations to the Panel.

Membership of the Task and Finish Group should remain as one representative from each of the four Local Authorities and a Non-Political Independent Member. Following changes to Panel Membership, a replacement nomination was required from Hartlepool Council. Subject to receipt of that nomination, Membership of the Group would continue to be:

Hartlepool – to be advised
Middlesbrough – Councillor Barrie Cooper
Redcar and Cleveland – Councillor Graham Cutler
Stockton – Councillor Steve Nelson
Non-Political Independent Member – Luigi Salvati

With respect to training, it was agreed that training for new Members of the Panel and refresher training for existing Members of the Panel be arranged.

RESOLVED that:

1. The Chair request a nomination from Hartlepool Council to participate in the Task and Finish Group established to review the Local Policing Precept.
2. Training be arranged for Members of the Panel.

PCP 12/22 Members' Questions to the Commissioner

The following question had been submitted by Councillor Barrie Cooper for response by the Commissioner:

“How many off road motorcycles, the ones without registration plates, have been seized in the last 6 months and how many prosecutions followed. If the answer is very few then can we have a strategy update?”

The Commissioner responded that the question related to an operational matter rather than a matter that was directly in the scope of the Panel's role to hold the Commissioner to account.

He advised that without information from communities on the ownership and location of the off-road vehicles it was difficult to progress and requested that panel members encourage residents within their own communities to share this information.

The Chair of the Panel sought the views of the Panel on inviting the Chief Constable to the next meeting of the Panel to discuss the matter in more detail. The Panel agreed this course of action.

The following question had been submitted by Paul McGrath for response by the Commissioner:

“Over 30 police forces in the UK (including North Yorkshire and Northumbria) are working in partnership with POLICE NOW to recruit and develop outstanding graduates for uniform and detective roles. Why is Cleveland not participating in this scheme?”

The Commissioner responded that Cleveland Police was working in partnership with POLICE NOW as part of a range of measures to increase recruitment. He advised that he believed that more than one route was necessary and was working with the College of Policing and the Police Apprenticeship Programme. Ultimately, the decisions on recruitment were a matter for the Chief Constable.

RESOLVED that the Chief Constable be invited to the next meeting of the Panel.

**PCP
13/22** **Public Questions**

There were no questions from members of the public.

**PCP
14/22** **Forward Plan**

Members were presented with the Forward Plan for the Panel 2022/23. Panel Members asked if the list of possible future presentation topics could be shared with the Panels to enable them to make suggestions on the order and priority of topics.

RESOLVED that the Forward Plan 2022/23 be noted and the requested information on presentation topics be shared with the Panel.

**PCP
15/22** **Exclusion of the Public**

RESOLVED that under Section 100A(4) of the Local Government Act 1972 the public be excluded from the meeting for the following items of business on the grounds that they involved the likely disclosure of exempt information as defined in paragraphs 1 and 2 of Part 1 of Schedule 12A of the Act.

**PCP
16/22** **Complaints Update**

The Panel considered a report of the Monitoring Officer detailing a new complaint matter that had been received and providing an update on an existing complaint matter.

RESOLVED

With regard to the new matter:

1. The Panel be confirmed as the relevant panel for the matter.
2. The matter be recorded and notified to the Police and Crime Commissioner.
3. The complaint be progressed as agreed by the Panel.

With regard to the existing matter:

4. The complaint be progressed as agreed by the Panel.

Report of the Police & Crime Commissioner to the Chair and Members of the Cleveland Police and Crime Panel

13 September 2022

POLICE AND CRIME COMMISSIONER'S SCRUTINY PROGRAMME

1. Purpose of Report

1. To provide members of the Police and Crime Panel with an update on the Police and Crime Commissioner's (PCC's) scrutiny programme.

Background Information

2. Holding the Chief Constable to account is the key duty of the Police & Crime Commissioner and must encompass all the functions of the Chief Constable and functions of those who are under the Chief Constable's direction and control.
3. The PCC has established a range of scrutiny approaches to engage with the Chief Constable and hold Cleveland Police to account. These take place on a daily, weekly and monthly schedule – both formally and informally and include a range of meetings, data and feedback from partners and the public.

The Scrutiny Programme

4. The PCC's scrutiny programme challenges Cleveland Police in a firm but fair way. Since the last Police and Crime Panel the PCC has held 2 formal scrutiny meetings which were held on 25 July and 8 August (Performance).

25 July 2022 – Enabling Services Update/ Drugs and Gangs

5. At this meeting the Force provided a written update on Enabling Services. In order to maintain scrutiny in this area the PCC has asked for a monthly update in relation to progress being made.
6. One of the objectives in the Police and Crime Plan is '*getting tough on drugs and gangs*'. Success in this area will result in positive partnership working, increased

use of stop and search with positive outcomes, increased awareness and understanding of County Lines and criminals being targeted and disrupted.

7. For the quarterly performance meeting the PCC sought assurance that the Force was sufficiently equipped to deal with the increased demand caused by drugs and gangs and how operations such as Project ADDER and Operation Endeavour were making a difference. In order to scrutinise the Force the following questions were put to the Chief Constable:
 - i. How does the force reassure the public that drug dealing has no place in Cleveland, that intelligence and reports are taken seriously in order to deal with the perception that little action is taken against people who openly deal drugs in the street?
 - ii. What positive impacts have the Drug Enforcement Team made?
 - iii. Is Stop and Search having a positive effect on Drug Crime?
 - iv. How is the Government's 'From Harm to Hope: A 10 year drugs plan to cut crime and save lives' woven into the Force's own Drugs Strategy?
 - v. In relation to the increased awareness and understanding of County Lines, what is the picture in Cleveland and are the right officers sufficiently trained in order to address the hidden element to drug crime?
 - vi. What more work needs to be done to increase the public's understanding of wider exploitation and how will this be addressed?
 - vii. Much work has taken place to understand and target Child Sexual Exploitation, including initiatives such as a PCC funded worker in the Complex Exploitation Team. Can the force provide assurance that the improvements within the follow-up' HMICFRS Inspection – February 2021 have been made and that training and refresher training is provided for Officers.
 - viii. Is partnership working effective in tackling County Lines and Child Sexual Exploitation, if not, what more could be done?
 - ix. The OPCC have undertaken a review of outcomes in relation to drug offences. It can be seen in these examples that suspects are not charged due to evidential difficulties or its not in the public interest, does the Force undertake dip sampling and what can be done to improve positive outcomes in cases such as these?
8. The PCC was assured by the Force's presentation, which contained a lot of positive outcomes. The PCC considered that it was important that the Force Communications Team promoted the work that was taking place in respect of positive action in this area.

8 August 2022 – Quarterly Performance Meeting - Quarter 1

9. The PCC held the Quarter 1 performance meeting (where Cleveland Police prepare and present information to the PCC to demonstrate how they are delivering against the Police & Crime Plan).
10. One of the Police and Crime Plan Priorities is to prevent, reduce and tackle serious violence. Whilst recognising that tackling serious violence needs a whole-system, multi-agency approach and that the Cleveland Unit for the Reduction of Violence (CURV) will work to address the root causes of violent crime, the PCC focussed this performance meeting on how the Force is playing its part in tackling serious violence including specifically knife crime. Specific questions were asked of the Chief Constable on the following:
 - i. Could the Force provide the latest knife crime figures and provide a summary of what is being done by the Force to target serious violent crimes involving a knife/sharp instrument.
 - ii. What proactive engagement is taking place with communities in order to tackle serious violence?
 - iii. Hot Spot Policing - could the Force provide a summary of the evaluation that has taken place into the impact of the hot-spot policing initiative and detail how the additional GRIP funding made a difference?
 - iv. Has the Force's Serious Violence Strategy 2020-22 met its aims and how will the strategy be evaluated?
 - v. Is the increased visibility and effective use of stop and search powers reducing the prevalence and harm caused by serious violence in key localities?
11. The PCC was assured that the Force understood the scale and that solutions were being or had been developed. However he was less assured about where the Force were aiming at in terms of some the targets.

OPCC Community Engagement

Quarter 1: 1st April - 30th June 2022

PCC consultation and engagement aims to ensure that:

- Members of the community feel engaged with the work of the OPCC.
- Members of the community feel able to voice their concerns, are able to influence the OPCC scrutiny of Cleveland Police and understand what happens as a result.
- Strategic policy is developed in a manner which reflects the needs of local communities.
- Commissioned services are designed around the needs of the client/service user.
- The OPCC is able to obtain the views of the local community in a responsive way using a variety of methodologies.

Community Roadshows

In the first quarter of 2022-23, the OPCC engaged with communities in the following locations:

- Asda Hartlepool
- Tesco's Hartlepool
- Tesco's Redcar
- Tesco's Coulby Newham
- Tesco's Billingham
- Tesco's Hemlington

Confidence in local policing

- 27.5% of those who voted in our counter consultation expressed a lack of confidence in local policing (10% not at all confident and 17.5% not very confident).
- This compares to 66.5% who expressed confidence in local policing (35.5% quite confident and 31% very confident). The remainder chose the neutral option.

What concerns residents?

Key areas of concerns raised have been:

- Off road and motorbike nuisance
- Visibility of local policing
- Timeliness and quality of police response
- Youth ASB
- Drug dealing and use
- Control Rooms issues

Ward surgeries

A programme of monthly ward surgeries has been developed to allow members of the public with community safety concerns to arrange a **face-to-face** conversation with the PCC.

During the first quarter of 2022-23, two surgery meetings have taken place:

Loftus - Redcar and Cleveland
Grove Hill - Middlesbrough

Next dates:

September 2022: Easterside, Middlesbrough
October 2022: Belle Vue Centre, Hartlepool

General engagement and events

The PCC attended **Freeborough Jobs and Skills Fayre** and **Guisborough Seniors Fayre** - both well attended.

The PCC also visited the team at **Hartlepower** and their community business venue.

**CLEVELAND POLICE AND CRIME PANEL – 13 September 2022
MEMBERS' QUESTIONS TO THE COMMISSIONER**

Question 1

Question from Councillor Tom Mawston for response by the Commissioner

What progress is being made in the establishment of Neighbourhood Policing Teams as promised by the PCC?

Question 2

Question from Paul McGrath for response by the Commissioner

A recent article in the Times newspaper outlined the difficulty some commissioners are facing in respect of being present at feedback sessions to senior police officers following HMICFRS inspections. Apparently, it is at the discretion of a Chief Constable whether or not they are invited to attend. What is the situation at Cleveland, does the Commissioner attend feedback sessions?

Question 3

Question from Councillor Norma Stephenson for response by the Commissioner

The IOPC have concluded their investigation into allegations made against the previous Chief Constable of Cleveland, Mike Veale. In August 2021 you informed the public that the investigation was to be referred to an independent panel, chaired by an independent lawyer, to hold a misconduct hearing to consider the evidence, make appropriate findings and determine any outcome. 12 months on, the public are still waiting for the misconduct hearing to take place. When is it to take place?

Cleveland Police and Crime Panel Annual Report 2021/22

Chair's foreword

To be added

Police and Crime Commissioners

The Police Reform and Social Responsibility Act 2011 brought in new arrangements for national policing, including the introduction of elected Police and Crime Commissioners (PCCs).

The role of the Police and Crime Commissioner (PCC) is to be the voice of the people and hold the police to account. They are responsible for the totality of policing.

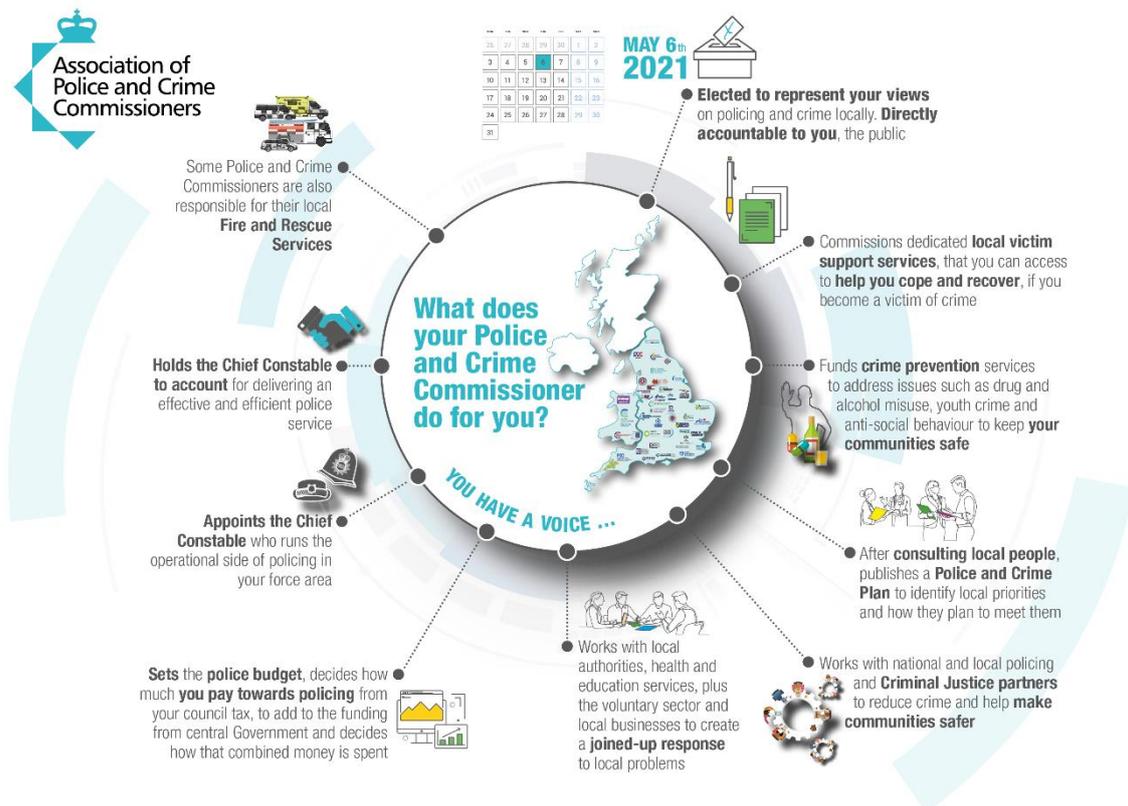

PCCs aim to cut crime and deliver an effective and efficient police service within their police force area. They are elected by the public to hold Chief Constables and the force to account, making the police answerable to the communities they serve.

PCCs ensure community needs are met as effectively as possible and aim to improve local relationships through building confidence and restoring trust. They work in partnership across a range of agencies at local and national level to ensure there is a unified approach to preventing and reducing crime.

Under the terms of the Police Reform and Social Responsibility Act 2011, PCCs must:

- secure efficient and effective police for their area.
- appoint the Chief Constable, hold them to account for running the force, and if necessary, dismiss them.

- set the police and crime objectives for their area through a police and crime plan;
- set the force budget and determine the precept;
- contribute to the national and international policing capabilities set out by the Home Secretary; and
- bring together community safety and criminal justice partners, to make sure local priorities are joined up.

What is the Cleveland Police and Crime Panel?

Police and Crime Commissioners are held to account by Police and Crime Panels which are composed of locally elected Councillors and some lay members.

The Police and Crime Panel is a scrutiny body which exists to scrutinise the Police and Crime Commissioner, promote openness in the transaction of police business and to support the PCC in the effective exercise of their functions.

The police force, however, is accountable through the Chief Constable to the Police and Crime Commissioner, not to the Panel.

Panel membership 2021/22

The Panel consists of 14 members: 12 Councillors with membership drawn from the four unitary Councils within the Cleveland Force Area and two non-political independent members.

The composition of the Panel is in accordance with legislative provisions and is politically proportionate with the total number of Councillors in the Force area.

During the year, the following members also served on the Panel: Councillor Chris Gallacher (Redcar and Cleveland), Councillor Stephon Picton (Hartlepool), Councillor Carl Quartermain (Redcar and Cleveland)

Panel role and responsibilities

The Police and Crime Panel's role is to scrutinise the actions and decisions of the Police and Crime Commissioner, providing both support and challenge and acting as a critical friend.

The Panel has statutory duties or special functions which form the core elements of its work. It is responsible for:

- Holding the Police and Crime Commissioner to account
- Reviewing the Commissioner's proposed appointments and holding confirmation hearings
- Reviewing the proposed annual police precept
- Contributing to the development of the Commissioner's Police and Crime Plan
- Reviewing the Commissioner's Annual Report
- Reviewing and scrutinising decisions made by the Commissioner
- Making reports and recommendations on matters relating to the Police and Crime Commissioner
- Handling complaints against the Commissioner

Panels meet publicly, wherever possible, to ensure transparency and that information is available to the electorate, enabling the public to hold their PCC to account.

Key Activities and Achievements

The Panel's Core Programme

During 2021/22, the Cleveland Police and Crime Panel met 12 times as a full Panel. Three of these meetings were meetings to consider proposed appointments being made by the Police and Crime Commissioner. Four were convened to consider complaint matters.

The Panel meeting on 6 July 2021 was the first of the municipal year and, following a vote, Councillor Tony Riordan was reappointed as the Panel's Chair. A further vote saw Councillor Barrie Cooper appointed as the Panel's new Vice Chair.

Core business for each ordinary meeting of the Panel includes:

- Members' questions to the Commissioner
- Updates on relevant matters from the Commissioner including his own scrutiny programme of the Force's work
- Reports on progress and performance against the Police and Crime Plan
- Updates on the Commissioners Consultation and Engagement programme
- Review of decisions of the Commissioner
- Public questions
- The Panel's forward plan

Annual Report of the Cleveland Police and Crime Commissioner

The Commissioner presented his draft Annual Report 2020/21 to the Panel at its meeting on 6 July 2021. The report was a key document to inform residents and stakeholders of the achievements of the Office of the Police and Crime Commissioner in the preceding financial year. The report covered:

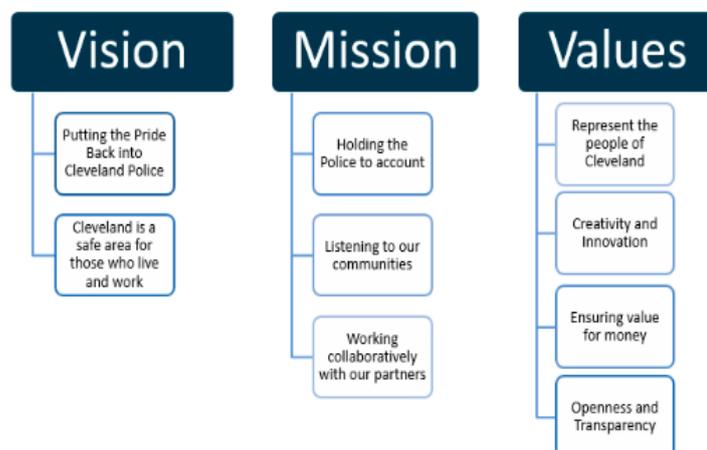

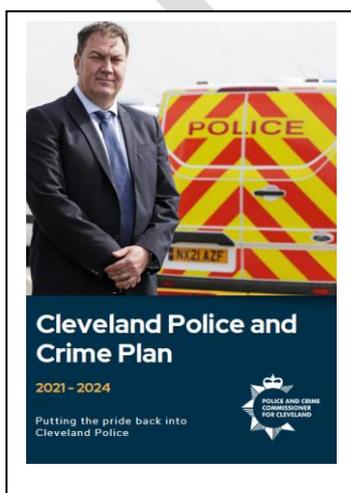

- Introduction by the Acting Chief Executive
- Key achievements against the objectives of the Police and Crime Plan
 - ✓ Objective 1: Investing in the police
 - ✓ Objective 2: A better deal for victims
 - ✓ Objective 3: Tackling offending and re-offending
 - ✓ Objective 4: Working together to make a safer Cleveland
 - ✓ Objective 5: Securing the future of our communities
- Police scrutiny and accountability

The scope of the report covered the height of the pandemic in April 2020 and subsequent lockdowns and how, like many organisations, the OPCC had adapted working practices and used technology to accommodate remote working and enable all core areas of the Office's work to continue to operate.

The report also highlighted additional funding that had been secured from various sources to support further work assisting victims of domestic and sexual violence, to make three theft-hit neighbourhoods more secure from crime and to extend work under the safer streets initiatives.

Police and Crime Plan

Also at the Panel's July meeting, the Commissioner consulted Members on his draft Police and Crime Plan. The plan set out a 10-point plan covering the Commissioner's term of office, developed around clear outcomes and objectives which reflected his manifesto commitments.

The Police and Crime Commissioner's 10-point plan:

- Bringing offenders to justice
- Getting tough on drugs and gangs
- Tackling anti-social behaviour head-on
- Helping to provide an effective police and criminal justice system
- Preventing, reducing and tackling serious violence
- Putting more police on the streets
- Tackling violence against women and girls
- Building confidence in Cleveland's communities
- Providing effective, quality support for victims and witnesses
- Using technology to combat crime.

The panel discussed the draft plan and performance framework associated with the plan that would demonstrate progress against the objectives.

Following further consultation and engagement, the Panel considered a final draft of the Plan at its meeting in November 2021 and felt that overall the plan was well set out and easy to read with strategic outcomes that could be easily understood. Some further suggestions were made about performance measures that would assist the Panel in assuring itself in respect of delivery against targets as part its core work programme and subject to this were content for the Commissioner to publish his plan.

Panel Training

As part of Panel Member development, a training session was held in September 2021 delivered by Frontline Consulting Associates who run a national project supporting Police and Crime Panels. The content covered the Panel's statutory duties, remit and powers as well as scrutiny skills.

Supplementing the training, a Police and Crime panel handbook was issued to all Panel Members containing:

- Terms of Reference
- Rules of Procedure
- Panel Arrangements
- Complaints Procedures
- Panel Member Role Guide
- Guidance for Police and Crime Panels

Appointment of the Chief Executive and Monitoring Officer for the Office of the Police and Crime Commissioner

In May 2021, the Panel was notified by the Commissioner of his intention to appoint an acting Chief Executive and Monitoring Officer. The post of Chief Executive and

Monitoring Officer had been held by Mr Simon Dennis who was also the Chief Executive and Monitoring Officer for the Police, Fire and Crime Commissioner for North Yorkshire. The Commissioner had reached mutual agreement with North Yorkshire to release Mr Dennis early from his role with Cleveland, leaving the post vacant.

The Police Reform and Social Responsibility Act 2011 obliges a Police and Crime Commissioner to appoint a chief executive, and further requires the Commissioner to appoint an acting chief executive whenever that post is vacant. The Commissioner had notified the Panel that he was reviewing the role profile and would undertake a selection process to make a permanent appointment but, in the meantime, proposed to appoint Mrs Lisa Oldroyd as the acting chief executive and monitoring officer.

In line with procedures, the Panel held a confirmation hearing and had the opportunity to question the candidate and unanimously agreed that Mrs Oldroyd appeared competent to carry out the role.

In October 2021, the Commissioner notified the Panel of his intention to appoint Mrs Oldroyd as Chief Executive and Monitoring Officer on a permanent basis. Again, in line with procedures, the Panel held a confirmation hearing to review and make recommendations on the proposed appointment and unanimously agreed to support the appointment of Mrs Oldroyd to the role of Chief Executive and Monitoring Officer on a permanent basis.

Appointment of the Chief Constable

In July 2021, Chief Constable Richard Lewis gave notice to the Commissioner of his resignation from Cleveland Police to take up the post of Chief Constable of Dyfed Powys which became effective from 11 December 2021.

The Commissioner undertook a recruitment process and engaged the support of the College of Policing to provide expert advice. Following a recruitment campaign and selection process, the initial process failed to identify a preferred candidate and following the departure of the Chief Constable, the Deputy Chief Constable became Acting Chief constable of Cleveland Police.

The recruitment campaign was relaunched with continued support from the College of Police and following final selections interviews, a preferred candidate was identified.

In line with the requirements of the Police Reform and Social Responsibility Act 2011, the Commissioner notified the Panel of the proposed appointment, and a

confirmation hearing was arranged for 10 February at which the Panel was able to review the proposal and question the candidate before making a recommendation to the Commissioner.

The Panel unanimously agreed that Mr Webster appeared competent to carry out the role of Chief Constable of Cleveland Police and supported his appointment as proposed by the Commissioner.

Scrutiny of the Policing Precept

One of the key roles of the Panel is to consider the Police and Crime Commissioner's proposed policing budget and precept. As in previous years, a Task and Finish Panel comprising the following Councillors was appointed to inform the work of the Panel:

Councillor Barrie Cooper (Chair)	Middlesbrough Borough Council
Councillor Graham Cutler	Redcar and Cleveland Borough Council
Councillor Steve Nelson	Stockton Borough Council
Councillor Amy Prince	Hartlepool Borough Council
Luigi Salvati	Non-Political Independent Member

The Group met on 21 January 2022 to receive information about the Police and Crime Commissioner's overall budget strategy for Cleveland Police and in particular proposals for the precept.

The Group prepared a report for consideration by the full Panel at its meeting on 1 February 2022 which set out in detail their deliberations, key findings and conclusions. These are summarised below:

- The Home Office policing settlement set out an overall increase in national funding for policing of up to £1.1 billion compared to the 2021/22 funding settlement, bringing the total available for policing up to £16.9 billion.
- The settlement confirmed that PCCs would be empowered to raise additional funding through their Band D precept flexibility by up to £10 in each of the next three years without the need to call a local referendum.
- The funding settlement was predicated on the maximum precept uplift being applied.
- The future funding and planning assumptions that had been made in determining the budget strategy and LTFP for Cleveland for 2022/23 were:
 - Precept increases of £10 per annum throughout the life of the plan.
 - Government Grant increase of 1.1% in 23/24 and 1.6% in 24/25, thereafter 2% increases.
 - 1.3% increase in Tax Base in 23/24 before returning to 1% increases thereafter.
 - £160k collection surplus per annum.
 - Pensions Grant continues at current level.

- Pay Awards are 3.5%, (22/23), then 2.5% (23/24), and then 2% thereafter.
- Additional funding is provided to continue the Uplift Programme in future years
- 2022/23 is the final year of the Government's 3 year programme to increase Police Officers by 20000 nationally.
- The funding and precept capacity is predicated on delivering an additional 8000 Police Officers, nationally, by March 2023 on top of the 12000 that will have been delivered by March 2022.
- For Cleveland, these targets equate to a need to deliver an additional 96 Officers by March 2023 on top of the 72 delivered in 2020-21 and the 71 being delivered in 2021/22.
- Although the budget proposals include £1.6 million Police Office Uplift Grant, the full costs of 96 additional officers is closer to £3.1 million and assessed to have an ultimate cost of £5.8 million when the impact the career progression of the additional officers is taken into account.
- Whilst financial plans for 2022/23 will be balanced based on a £10 increase, the ultimate costs of the 2022/23 commitments and pressures are unaffordable in future years based on the current position with regard to funding provision.
- Even with the planned uplift, it is unlikely that there will be sufficient funding to meet the resourcing requirements from the Force. Any increase below the proposed £10 precept increase would make a very difficult position even more difficult in future years.
- A consultation exercised had gathered views from 1243 people with 448 people completing the online survey and 795 people taking part in the community events/'counter' consultation.
- There was some disparity between the responses from those who responded to the consultation online and those who attended the community events with only 36.4% of respondents to the survey indicating they would be willing to pay more towards their local policing in contrast to 91% of those who took part in the counter consultation.
- Despite these disparities, there did appear to be support from all 4 force areas to increase the precept with 71.3% of respondents indicating that they would be willing to pay more Council Tax towards the cost of local policing.
- The level of reserves was currently set at 3.3 % of the net budget requirement in 2022/23 which was in line with good practice. General Reserves were projected to be £5 million across the life of the plan.

Having considered the information available to it and discussed the funding assumptions and associated issues in detail, and assuming there was no significant change from the currently stated position, Members of the Task and Finish Panel recommended that the Police and Crime Commissioner's Proposal to apply the maximum uplift of £10 to the Police Element of the Council Tax within Cleveland for 2022/23 should be endorsed by the Police and Crime Panel at its meeting on 1 February 2022.

The Panel gave consideration to the report that had been prepared by the Task and Finish Panel, thanking the Members for their time in looking at the budget strategy and precept proposals in greater depth and endorsed their recommendation to support the Commissioner's proposal to set the Band D Police Element of the Council Tax within Cleveland for 2022/23 at £275.73, an increase of £10, or 3.76% over the 2021/22 level.

OPCC Commissioned Services and Partnership Delivery

In addition to their core business, the Panel has had presentations from delivery partners who have received funding from the Office of the Police and Crime Commissioner and whose work supports the objectives of the Commissioner's Police and Crime Plan. During 2021/22, these have included:

Chris Cave Foundation

In February, Theresa Cave of the Chris Cave Foundation attended the Panel meeting to provide information on the work of the foundation in engaging, building aspiration and/or creating positive activities for young people (up to the age of 25) at risk of harm or involvement in serious violence.

The Commissioner had supported a funding bid in the sum of £25,000 from the foundation to deliver a 7 point training across Cleveland and to increase support and referrals for young people to ensure they are prevented from becoming involved in serious violence and knife crime.

Theresa reported how the funding had enabled the foundation to secure its running costs for the coming year, recruit 2 more volunteers and increase its reach to young people with a greater range of support, activities and resources.

Examples given included:

- The provision of bereavement days and family workshops at the office.
- Assistance with victim impact statements and ongoing support for families.
- Weekly drop in sessions.
- Working with Teesside University on an art project to promote anti-violence.
- A planned Youth Conference in June 2022.
- The purchase of a CPR dummy to teach young people how to perform CPR and treat a wound at the scene of an incident.
- The provision of stab backs for door staff.

The Panel were advised that it was sometimes difficult to get into schools with the foundation's messages as there could be a perception that this reflected a problem

within the school.

Local Councillors often had good connections with local schools. The Panel suggested that the Commissioner considers some communication for Councillors to share with their respective local authorities to try to address some of these perceptions and encourage participation in as many schools as possible.

The Panel welcomed the information shared by Theresa Cave and commended her on the work and impact of the Chris Cave Foundation.

MFC Kicks

In March 2022, Lynsey Edwards, Liam Watson and Keith Robson attended the Panel meeting to give a presentation on the work of MFC Kicks. Kicks was a national initiative funded by the Premier League to use football and the brand of a professional football club to engage 8-18 year olds in deprived areas where crime, anti-social behaviour and youth violence are prevalent. Premiership funding is dependent on match funding locally.

The Office of the Police and Crime Commissioner had awarded funding to the MFC Foundation for the continuation of the Kicks programme across Cleveland until March 2025.

The benefits of the programme were expected to be a reduction in youth crime and anti-social behaviour in the targeted areas and an increase in community cohesion.

The presentation set out various strands of the overall Kicks programme, provided statistics on engagement and impact, and aspirations for the future expansion and development of the programme.

The Panel welcomed the information provided and congratulated the team on the work of the programme.

Cleveland Divert

In July 2022, representatives from the Cleveland Custody Diversion Scheme (Divert) attended the Panel to provide information on the programme.

Currently, Cleveland had one of the highest reoffending rates in England and Wales standing at 34%. The Divert Programme was delivered in partnership with Cleveland Police and the Probation Service North East and offered an alternative way to engage with first time and low-level offenders, instead of sending them to court and prosecuting them. The aim of the approach was to break the cycle of reoffending.

The presentation outlined the various pathways available to support the offender to address issues in their lives that led to the criminal behaviour. It was noted that gambling addiction had recently been included within the remit of the programme.

Data was provided on the number of accepted referrals, the number of restorative interventions and the increase in referral rates on the previous 12 months. The Panel requested further detail in relation to referrals by local authority area.

The Panel welcomed the presentation and thanked the Divert team for their work.

Panel Support arrangements

Stockton on Tees Borough Council was designated as the host Local Authority for the Panel from its inception in 2012. During 2021 it was agreed that this responsibility would rotate between each of the four Local Authorities within the Cleveland Force area and be aligned to the election cycle for Police and Crime Commissioners. In October 2021 responsibility transferred to Redcar and Cleveland Borough Council.

The host authority is responsible for supporting and training the panel, as well as providing legal and constitutional advice.

Funding

The Home Office provides grant funding for the host authority to provide administrative support to the Panel to cover costs such as meeting, conference, training and printing expenses and officer time.

For the year 2021/22, the sum of £66,180 was awarded by the Home Office and split between both Stockton-on-Tees and Redcar and Cleveland Councils.

Complaints

The Panel has specific duties under the Elected Local Policing Bodies (Complaints and misconduct) Regulations 2021 relating to the recording and investigation of complaints about the Police and Crime Commissioner that relate to non-criminal behaviour.

The Panel has established a sub-committee to consider complaints against the Commissioner. Complaints are dealt with by an informal resolution process; there are no powers to investigate a complaint. The sub-committee can consider complaints at a meeting which the complainant, the Commissioner and/or others may be invited to attend, or by the submission of written documents.

During 2021/22, 12 complaints were considered under the Panel's complaints procedure.
