Saltburn Transport Masterplan Study

Have your say

On behalf of Redcar & Cleveland Borough Council, Capita Real Estate and Infrastructure is undertaking a study exploring opportunities to improve transport within Saltburn. The study, primarily focussing on parking, has been commissioned as a result of issues raised and complaints made by residents about the level and nature of parking in the town particularly during the summer months.

The initial part of the study commenced with a parking survey at the height of the summer season in August. More recently a further parking survey was undertaken in October. These two surveys will allow us to compare parking levels and thus estimate the impact of tourist related parking upon 'normal' parking levels.

We are therefore keen to seek your general views on the town's transportation issues and invite you to comment. The study area is shown on the plan below:

The next stage of the project will be to assimilate the data alongside your initial comments to enable us to draft a Masterplan of high-level visualisations accompanied by a short report. Following the consultation, the Masterplan will be updated to reflect a series of preferred options for Concept Design Stage.

Your Opinion

We want to hear your opinion on parking and other transport issues within Saltburn. You can express your thoughts by completing the online questionnaire at.

<https://www.capitaproperty.co.uk/saltburn-transport-masterplan-study/>

For those without access to the internet, facilities are available at Saltburn Library on Windsor Road. Alternatively, paper copies of the questionnaire are also available to complete and submit at the Library.

The Library opening times are:

Monday, Wednesday, Thursday and Friday 10am – 5pm

Saturday 09:30 – 12:30

Please note that the closing date for responses is **31st May 2022**.

Please encourage members of your household and others to undertake the survey since your responses may not necessarily reflect the views of others.

Please note that several of the question responses are listed alphabetically and do not reflect any particular bias.

To assist in your completion of the questionnaire, general information on residential parking zones in Redcar and Cleveland can be found at the following link:

By completing this survey, you are agreeing for this data to be used for this purpose by Redcar & Cleveland Borough Council and by Capita. For those submitting 'personal responses' (i.e. not organisations that we would normally contact), we will not use your contact details for any other project without your consent.

By submitting the questionnaire, you are consenting to your information being processed for the purpose as outlined above.
