STATEMENT OF REASONS

Following the end of the TVCA funding to provide 2 hours free parking in council short stay car parks and on street locations, amendments to the off street and Redcar WLP traffic regulation orders are required. The amendments are required to remove the free 2 hours parking provision and re-introduce charges.

Slight amendments are also required to the days/times of operation at the King Street and Cowbar car parks to allow for a better operation for users and Graffenberg Street is to be changed to Long Stay from Short stay to allow this to be utilised by users wishing for a longer parking duration.
