LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

To promote all four licensing objectives, I will implement the following measures across the premises:
Staff Training, CCTV and Incident Recording, Effective Supervision and Monitoring, Controlled Access and Customer Behavior, Noise and Waste Management and providing a Safe and Inclusive Environment.

b) The prevention of crime and disorder

Staff Training - All staff will be trained in licensing laws, responsible alcohol sales, and how to handle difficult situations such as identifying and refusing service to intoxicated or underage individuals.

CCTV Installation - A high quality CCTV system will be installed and maintained both inside and at the entrance of the premises, covering all key areas. Footage will be stored for a minimum of 28 days and made available to the authorities upon request.

Refusal Log and Incident Book - A record will be kept of any incidents involving crime, disorder, or refusals of service. These logs will be regularly reviewed and used to adjust policies and staff training where necessary.

Challenge 25 Policy - This policy ensures that anyone who appears under the age of 25 will be asked to provide valid identification when attempting to purchase alcohol.

Clear Signage - Signs will be posted throughout the premises to deter antisocial behaviour and remind patrons of house rules and licensing responsibilities.

c) Public safety

Fire Safety and Emergency Exits - All fire safety equipment will be regularly checked, and clearly marked emergency exits will be kept unobstructed. Staff will be trained in evacuation procedures.

Capacity Management - A maximum occupancy limit will be set and monitored to prevent overcrowding. This helps ensure a safe environment for both customers and staff.

First Aid Availability - A first aid kit will be maintained on-site and staff members will be trained in basic first aid and emergency response.

Regular Risk Assessments - The premises will be routinely inspected for hazards, with documented risk assessments to address and mitigate potential safety concerns.

Safe Layout Design - Furniture and fixtures will be arranged to allow clear access routes and minimize the risk of accidents, including safe stair access between floors.

d) The prevention of public nuisance

Noise Management Plan - Volume levels will be monitored and managed, especially during the evening. Windows will be closed after certain hours, and any music or amplified sound will be controlled to prevent disturbance.

Outdoor Terrace Controls - Use of outdoor terrace will be restricted during late hours. Clear signage and staff monitoring will help ensure patrons behave responsibly outside.

Waste Management - Litter bins will be provided, and the area surrounding the premises will be regularly cleaned to prevent nuisance from waste or discarded packaging.

Delivery and Collection Times - Deliveries and waste collections will be scheduled during daytime hours to minimize disruption to local residents.

Customer Dispersal Policy - Staff will encourage patrons to leave the premises quietly and respectfully, particularly in the evening, to avoid disturbing neighbors.

e) The protection of children from harm

Challenge 25 Policy - As noted above, this ensures that alcohol is only sold to those who can provide valid identification, reducing the risk of underage sales.

Staff Training on Child Protection - Staff will be trained to recognize and respond to situations where a child may be at risk or exposed to inappropriate behavior.

No Unaccompanied Minors after 9pm - Children under the age of 18 will not be allowed on the premises after 9pm unless accompanied by a responsible adult.

Age-Restricted Content - No age-inappropriate material (e.g. explicit music, imagery or promotional materials) will be displayed or played in the presence of children.

Continued from previous page...

Clear Signage and Communication - Signs will clearly state the age verification policy and the rules concerning children on the premises, helping to manage expectation and ensure compliance.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
