

MAX Card – North East Organisations

Last Review November 2025

The Max Card is the UK's leading discount card for SEND families. Families can use their Max Card at venues across the UK to get free or discounted admission. The scheme is designed to help families save money on great days out at castles, zoos, bowling and much more.

Some organisations will require tickets to be purchased online and some will offer discounts at the door. The information on the Max Card website isn't always up to date so please contact the venue to confirm discounts before travelling.

The organisations listed in this leaflet are for information only to support families to identify local venues which accept Max Cards. For more information on the activities or organisations listed please contact the organisations directly.

For a full list of UK venues please visit the Max Card website <https://mymaxcard.co.uk/>

Please note - The organisations and activities are not endorsed by Redcar and Cleveland Borough Council.
