## LOCATION

The plot is situated on the Victorian upper promenade sea front in a prime location adjacent to Saltburn's foreshore commercial tourist attraction The Victorian Pier, Cliff lift and quirky commercial seaside businesses. (The World-famous Cliff Lift alone attracts over 180,000 visitors annually, with a footfall of circa 2 million visitors per annum, attracted to the pier and other visitor attractions in Saltburn).

The plot occupies a prominent area with adjoining beach front access via stairs to the lower promenade. Saltburn's Victorian seafront is surrounded by a mix of local hospitality and leisure businesses including Café/Restaurant's, Crazy Golf, beach hut hire, Surfing School and the Pier Amusements Arcade as well as further businesses in the Valley Gardens and the wider Town.

Saltburn-by-the-Sea is situated 20 Kilometres (12.5 miles) east of Middlesbrough and 65 Kilometres (40 miles) southeast of Durham with the North Yorkshire Moors and National Park being located within close proximity of the South.

The plot is located to the North of Saltburn town centre and occupies a prominent vista position on the foreshore itself off Marine Parade, overlooking Saltburn's main beach and facilities, as shown edged red on the plans provided for identification purposes only.

The town benefits from excellent road and rail links with the rest of Tees Valley. The town is accessed via the A174, which links to the A66, giving access to the A19, A1(M) and wider national road network. Saltburn Railway Station is located 0.5 kilometres south of the site.
