We also run extra sessions, including **Sensory Kidz** for children with sensory needs, and **Wriggle, Read and Rhyme** and **Chat, Sing and Read** for little ones who might benefit from some extra support with speech and language.

If you think your child would enjoy or benefit from any of these groups, just have a chat with one of our friendly staff - we'd be happy to help.

Even if no groups are running, you're always welcome to drop in during opening hours. Our friendly team will be on hand to offer help and advice. You can also find pre-loved clothing, Healthy Start vitamins, and food bank vouchers at all our hubs.
