

REDCAR AND CLEVELAND BOROUGH COUNCIL'S CODE OF GOVERNANCE

Corporate governance is the term given to describe the systems, processes and values by which Councils operate and by which they engage with, and are held accountable to, their communities and stakeholders.

Redcar and Cleveland Borough Council is committed to demonstrating that it has the necessary corporate governance arrangements in place to perform effectively and ensure that through its actions it delivers positive outcomes for its citizens.

The Council's Code of Governance is built around the principles of good governance, as defined in guidance issued by the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives (SOLACE), entitled 'Delivering Good Governance in Local Government (2016).

Each of the seven core principles (A-G) is supported by several sub-principles. The following table sets out, in one place, the various systems and processes that together constitute the Council's Governance Framework.
