START/FINISH SALTBURN

 Women's Road Race Start	9:00
 Finish	12:00
 Men's Road Race Start	13:00
 Finish	17:00

All times based on fastest schedule.

ROAD CLOSURES A rolling road closure will be enforced on the race route. This means roads on route will be closed to traffic by Police Escort Vehicles. Closures are in place for a short period (usually around 15 minutes) to allow the race to pass safely. Glenside will be closed between the junction of Windsor Terrace and the junction of Albion Terrace to all unauthorised vehicle traffic from 06:00 hours on Sunday 14th April.

NO PARKING The route is marked with yellow advanced warning signs in the run up to the East Cleveland Classic. Please don't park on the route on the day; if necessary, vehicles may have to be removed.

CAUTION Please keep children back from the edge of the road and animals on a lead, away from the roadside. Riders pass by very fast, and while we encourage support, please keep flags, objects and photography equipment out of the road. Remember, taking selfies is fun, but turning your back on the race is never a good idea. Please face the oncoming riders and race convoy at all times.

POLICE The East Cleveland Classic is escorted along the route by trained police officers and escort motorcyclists. If you are asked to stop by an officer, please listen carefully and obey their instructions.

SUPPORT Don't forget, this is a new elite level cycling event, the challenging road race route builds upon the circuit used for the 2023 National Championship Road Race and has been modified and extended to pass through Guisborough. So show your support for the riders who will be taking part and leave them with positive memories of the support by Redcar & Cleveland.

**RESPECT THE RIDERS**

We encourage everyone to get behind the riders, but please remember this is their race. Please don't block their route, run alongside them or impede their progress.
